13TH INTERNATIONAL CONFERENCE ON ANTENNAS & ELECTROMAGNETIC SYSTEMS

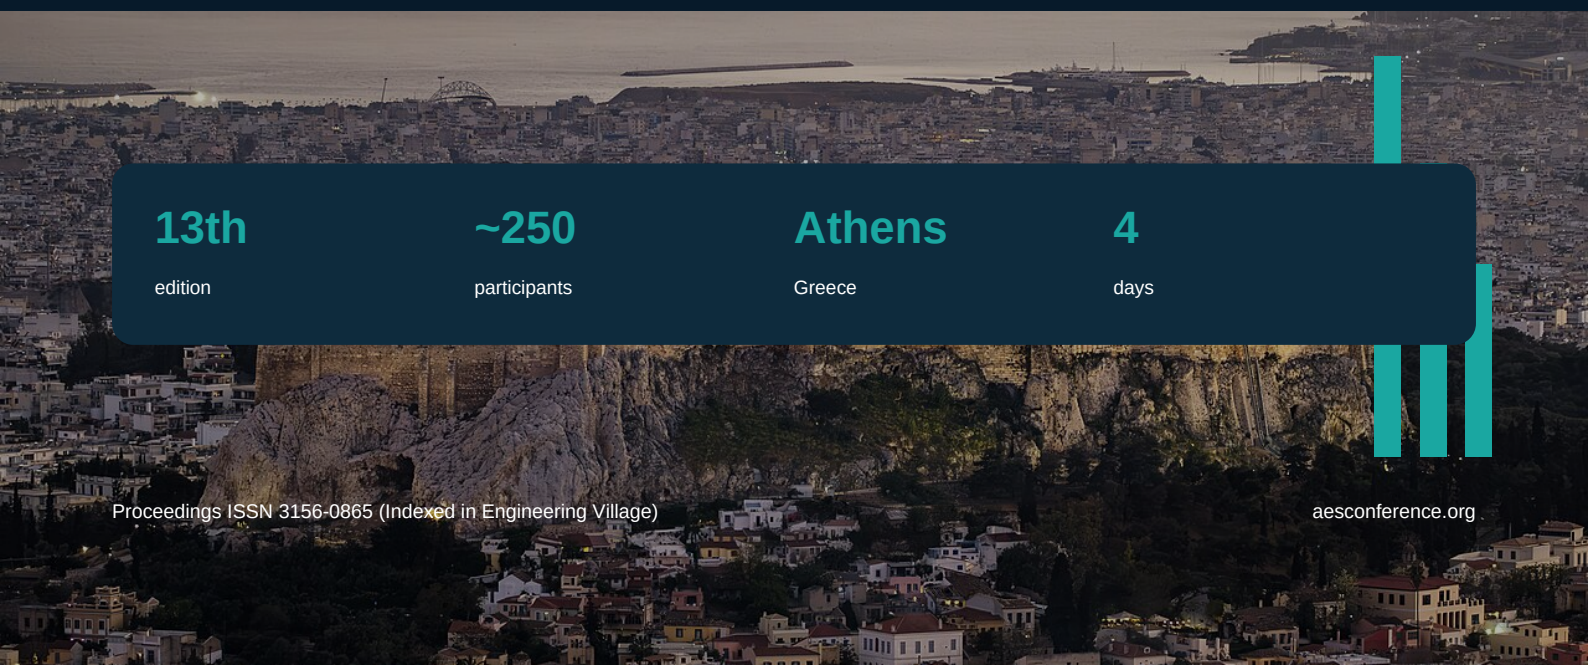

AES 2027

SPONSORSHIP & EXHIBITION

War Museum of Athens
Athens, Greece

MARCH 16-19, 2027

Connect your organisation with a focused international community working across antennas, electromagnetics, RF and microwave technologies, metasurfaces, sensing and emerging wave systems.

13th	~250	Athens	4
edition	participants	Greece	days

Proceedings ISSN 3156-0865 (Indexed in Engineering Village)

THE AES AUDIENCE

A focused community. More meaningful conversations.

AES brings together a highly specialised international audience working across antennas, electromagnetics, RF and microwave engineering, computational methods, metasurfaces, sensing and emerging wave technologies. Its focused scale creates an environment where exhibitors and sponsors can engage directly with researchers, technical leaders and future collaborators.

Academic leaders

Principal investigators, professors, research group leaders and senior scientists.

Industry & R&D

Engineers, R&D managers, technical specialists and technology developers.

Next generation

Postdoctoral researchers, doctoral candidates and emerging scientific talent.

WHY PARTNER

Four reasons to be at AES

Visibility

Consistent exposure across the conference website, programme and exhibition area.

Engagement

Direct interaction with a specialised scientific and technical audience.

Thought leadership

Dedicated industrial workshop opportunities within the conference programme.

Talent & partnerships

Connect with research groups, technical experts and future recruits.

SCIENTIFIC SCOPE

Antennas & radiating structures • propagation • computational electromagnetics • inverse problems • metamaterials & metasurfaces • RF & microwave technologies • mmWave & THz • sensing • radar • measurement techniques • photonics and emerging electromagnetic systems.

VENUE

War Museum of Athens - a central setting for scientific sessions, networking and exhibition activities.

SPONSORSHIP PACKAGES

Choose your level of presence

PLATINUM

€5,500

- 12 m² exhibition space
- 4 passes: 2 Delegate + 2 Exhibitor
- 60-min industrial workshop
- Full-page programme ad
- Prime positioning
- 2 dinner tickets
- Maximum visibility

GOLD

€3,900

- 9 m² exhibition space
- 3 passes: 1 Delegate + 2 Exhibitor
- 45-min industrial workshop
- Half-page programme ad
- Priority positioning
- 1 dinner ticket
- Prominent visibility

SILVER

€2,500

- 6 m² exhibition space
- 2 passes: 1 Delegate + 1 Exhibitor
- 30-min industrial workshop
- Logo & company profile
- Website listing
- On-site acknowledgement

EXHIBITOR

€1,500

- 6 m² exhibition space
- 2 Exhibitor passes
- Company logo & profile online
- Programme listing
- Exhibition presence throughout

PASS TYPES

Delegate Pass

Full conference access; may be assigned to a company representative who is also presenting a paper.

Exhibitor Pass

For exhibition staff and representatives primarily supporting the stand.

Prices include applicable taxes.

EXHIBITION & WORKSHOPS

More than a booth

Exhibition

Dedicated exhibition space
Positioned close to delegate circulation
Basic tables and chairs included
Bring your own booth branding and display material

Industrial workshops

Platinum - 60 minutes
Gold - 45 minutes
Silver - 30 minutes
Dedicated time to present technologies, products, tools or applications

ENHANCE YOUR PRESENCE

Add-ons

SCIENTIFIC ENGAGEMENT

Additional 45-min industrial workshop	€900
Best Talk Award sponsor	€750
Best Poster Award sponsor	€750

HOSPITALITY

Conference dinner co-sponsor	€900
Coffee break sponsor	€750

BRAND VISIBILITY

Programme full-page advertisement	€600
Conference app banner	€600
Lanyards, co-branded	€600
Lanyards supplied by sponsor	Free

ON-SITE & EXHIBITION

Additional exhibitor staff pass	€200
Meeting room	On request
Additional exhibition space	On request

Other sponsorship opportunities are available on request.

BOOK YOUR PARTNERSHIP

Join AES 2027 in Athens

16-19 MARCH 2027

AES offers sponsors and exhibitors direct access to a focused international community in antennas and electromagnetic systems. We will help you choose the package, workshop format and exhibition presence that best match your objectives.

HOW TO TAKE PART

1

Choose your package

Select Platinum, Gold, Silver or Exhibitor.

2

Contact the organising team

Tell us your objectives, preferred footprint and workshop requirements.

3

Confirm your participation

We issue the invoice and confirm exhibition and workshop arrangements.

PRACTICAL INFORMATION

VENUE	War Museum of Athens, Athens, Greece
CONFERENCE DATES	16-19 March 2027
INVOICING	Invoices payable within 30 days of issue
CANCELLATION	Cancellation deadline: 12 February 2027
CONTACT	contact@aesconference.org
WEBSITE	aesconference.org
